Son De Mar

” The trip went very well indeed. We would be hard pushed to expect any better. The boat was adequately furnished as advertised, very clean, and well-maintained.

Toys and facilities are all in working order and always at hand.

The crew was always prompt, efficient, and very courteous, eager to please with a genuine smile.

Captain Mate runs an excellent crew and is very professional.

The food was excellent and varied. The wife of the captain was in charge of the kitchen and worked tirelessly to impress us with her skills.

We had a wonderful time on board and have nothing to complain about. We would certainly recommend the Son de Mar to friends and families that enjoy the sea and love the simple, essential pleasures of a laid-back life on board a very good value-for-money yacht.
